Everybody needs a little time away
I heard her say
From each other
Even lovers need a holiday
Far away from each other
Hold me now it's hard for me to say i'm sorry
I just want you to stay (stay with me ooohh)
And after all that you've been through
I will make it up to you
I promise you, baby
And after all that's been said and done you're just a
part of me i can't let go (oooo)
(bop bop bop bop bop)
Couldnt stand to be kept away
Not for a day
From your body (not even a day)
Wouldnt want to be swept away (aawwaayy)
Far away from the one that i love
Oo hold me now
Its hard for me to say i'm sorry
I just want you to know (u to know)
Hold me now
I really wanna tell you i'm sorry
O i could never let you goooooo..iiii
After all that we've been trough
I will make it up to you
I promise to (i promise you)
And after all that's been said and done
You're just a part of me i can't let goooo
I can't let go
