For so long  
You and me were findin' each other for so long  
And the feelin' that I feel for you is more than strong  
girl  
Take it from me  
If you give a little more than your askin' for  
Your love will turn the key

Darlin' I  
I would wait forever for those lips of wine  
And build my world around you darlin'  
This love will shine girl  
Watch it and see  
If you give a little more than you're askin' for  
Your love will turn the key

[chorus:]  
I-I-I  
I just wanna be your everything  
Open up the heavens in your heart and let me be  
The things you are to me  
And not some puppet on a string  
Oh-ohh  
I, if I stay here without you darlin' I would die  
I want you layin' in the love I have to bring  
I'll do anything to be your everything

For so long  
You and me were findin' each other for so long  
And the feelin' that I feel for you is more than strong  
girl  
Take it from me  
If you give a little more than you're askin' for  
Your love will turn the key

[chorus 3x until fade]
