When I'm lost in the rain
In your eyes I know I'll find the light, To light my way
And when I'm scared, And losing ground
When my world is going crazy
You can turn it all around
And when I'm down you're there, pushing me to the top
You're always there giving me all you've got
For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
When I lose the will to win
I just reach for you and I can reach the sky again
I can do anything
'Cause your love is so amazing
'Cause your love inspires me
And when I need a friend you're always on my side
Giving me faith that gets me through the night
For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
For the arms to be my shelter through all the rain
For truth that will never change
For someone to lean on
For a heart I can rely on through anything
For that one who I can run to...
For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you

For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
For a shield from the storm
For a friend, for a love
To keep me safe and warm
I turn to you
For the strength to be strong
For the will to carry on
For everything you do
For everything that's true
I turn to you
I turn to you...
