Fade in black to white, our time is over  
Still haven't heard from you, vanished with out a clue  
I know you're hurting but at least tell me that you're  
okay

Admit to my mistake and you should know  
That it's killing me inside and I'm not tryin' to hide  
I wrote this letter but I'd rather say it face to face

'Cause if sorry never comes my heart will not go on  
Until I make this right, so baby please let me apologize  
'Cause I'll never love again until I get the chance  
To right this wrong I've done, I can't move on if sorry  
never comes

Winter turns to spring and I am changing  
Now I'm a different guy, hurting you changed my life  
I wanna tell you but you never answer my phone calls

I'm prayin' everyday that you'll forgive me  
I need to hear you say, you're heart's not filled with  
hate  
I'm writing letter's but I'd rather see you face to face

'Cause if sorry never comes my heart will not go on  
Until I make this right, so baby please let me apologize  
'Cause I'll never love again until I get the chance  
To right this wrong I've done, I can't move on if sorry  
never comes

I'm tired of thinkin', tired of dreamin', I'm losing sleep  
I need some closure 'cause this pain is to much for me  
Just a minute of your time, let me say what's on my  
mind  
Then you can go on with your life

If sorry never comes my heart will not go on  
Until I make this right, so baby please let me apologize  
'Cause I'll never love again until I get the chance  
To right this wrong I've done, I can't move on if sorry  
never comes
