If you've been hurt and you feel you can't go on, the
pain
In your heart is much too strong, it's been there too
long-
It's time to let go and to find you someone new,
Someone who really cares and will always be there for
you
One who will hold you tight morning noon and night,
Gently kiss your lips under candle light, give you all
you need
Love you endlessly for life

If you're looking for love and romance, someone who
cares
And understands, i'm your man, i'm your man, i'm your
man
Baby i'm your man and girl i'll treat you right, hold you
tight,
And make sweet love all through the night,
I'm your man, i'm your man, i'm your man, i'm your
man

Now he promised you he would never let you down, but
when
You needed love, there never was- just could not be
found-
He played with your heart, just like it was a game, but
girl
Never, never again just let me in, girl things will never
be
The same, girl i'll hold you tight, morning noon and
night-
Gently kiss your lips under candle light, give you all
you need,
Love you endlessly for life

If you're looking for love and romance, someone who
cares
And understands, i'm your man, i'm your man, i'm your
man
Baby i'm your man and girl i'll treat you right, hold you

tight,
And make sweet love all through the night,
I'm your man, i'm your man, baby i'm your, your man

Girl i'll never let you down, and when you need love
I'll always be around, to satisfy your every desire
Over and over again

If you're looking for love and romance, someone who
cares
And understands, i'm your man, i'm your man, i'm your
man
Baby i'm your man and girl i'll treat you right, hold you
tight,
And make sweet love all through the night,
I'm your man, i'm your man, i'm your man, i'm your
man

If you're looking for love and romance, someone who
cares
And understands, i'm your man, i'm your man, i'm your
man
Baby i'm your man and girl i'll treat you right, hold you
tight,
And make sweet love all through the night,
I'm your man, i'm your man, i'm your man, i'm your
man
