They read you cinderella  
You hoped it would come true  
That one day your prince charming would come rescue  
you  
You like romantic movies  
And you never will forget  
The way it felt when romeo kissed juliette  
And all this time that you've been waiting  
You don't have to wait no more  
I can love you like that  
I would make you my world  
Move heaven and earth if you were my girl  
I would give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
If you give me a chance, i can love you like that

I never make a promise  
I don't intend to keep  
So when i say forever  
Forever's what i mean  
I'm no casanova  
But i swear this much is true,  
I'll be holding nothing back  
When it comes to you  
You dream of love that's everlasting  
Well baby open up your eyes...

I can love you like that  
I would make you my world  
Move heaven and earth if you were my girl  
I would give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
If you give me a chance, i can love you like that

If you want tenderness  
I've got tenderness  
And i see through to the heart of you  
If you want a man  
Who will understand

You don't have to look very far

I can love you, girl i can (i can love you love you)

Oh baby oh...

I can love you like that

I would make you my world

Move heaven and earth if you were my girl

I would give you my heart

Be all that you need

Show you you're everything that's precious to me

I can love you like that

I can make you my world

Move heaven and earth if you were my girl

I would give you my heart

My heart my heart my world

Show you you're everything (you're everything to me)

Love you like that

I can make you my world

Move heaven and earth if you were my girl

I would give you my heart

My heart my heart my world

Show you you're everything
