What Is Best For Me
You Take It So Seriously

Was November, When I First Fell
And Now I Fall A Lot
Was December, When I First Knew
But I Could Not Tell You

It's A Choice That I Made
A Mistakes What You Made It For Me
A Wall In My Way

But Never Is Too Long To Wait For Me

Wait And See
I'll Get It Right This Time
Trust In Me
I'll Get It Right This Time

You Never Know
If You Can't Let Go
It's Now Or Never
And Never Is Too Long To Wait For Me
