One summer night  
We fell in love  
One summer night  
I held you tight  
You and i  
Under the moon of love (moon of love)  
One summer night  
I kissed your lips  
One summer night  
I held you close  
You and i  
Under the moon of love

You kissed me oh so tenderly  
And i knew this was love  
And as i held you oh so close  
I knew no one could ever take your place

Oh one summer night  
We fell in love  
One summer night  
I held you tight  
You and i  
Under the moon of love (moon of love)

Baby, i love you so much  
When i hold you in my arms  
I feel eternal love  
I don't ever want to lose your love  
I want our love to last forever

You kissed me oh so tenderly  
And i knew this was love  
And as i held you oh so close  
I knew no one could ever take your place

Oh one summer night  
We fell in love  
One summer night  
I kissed your lips  
You and i

Under the moon of love  
Moon of love
