I Remember Back Growing Up  
So Many Stories Had A Reason  
We Don't Know What They Are  
Too Much To Grow On, Not Enough  
So Try And Define What It Means To You  
Why Do They Waste All My Time  
And We Take It All For One More  
Chance To Seeâ€¦

Now I'm Older But Still A Kid  
For Every Action There's Reaction  
Things Seem To Summersault  
Too Much To Go On, Not Enough

It Happens When I'm Trying To Succeed  
Why Do They Waste All My Time  
Then We Take It All For One More  
Chance To Seeâ€¦

I'm Hoping For An Answer  
To The Problem Caused  
By This Catastrophy  
Everybody's Looking For It  
Question Answers And The Reason  
Solutions Come When  
We Can All Agree  
Try And See
