Baby, now that your answer is no

You think I'll just give up and go

But you don't know me

Baby, it's hardest of all in the night

You think I'll give up with no fight

It's just not right

[CHORUS]

I will be your

Shadow in the street

I'm not easy to lose

I don't know when I'll be

I will be the ground

Beneath your feet

You can walk all over me

Cause I don't know

When I'll be

Baby, how did you turn out so well

You know I'm still under your spell

And it's not easy

Baby, you act like

We never were one

As though we had never begun

But it won't end

[Repeat CHORUS]

What you gave

You can't take back

But you know I'm not having that

It won't be easy, oh, no

[Repeat CHORUS]
