Ooh, yeah
You move like a neon light
In a pitch black room
Streak on by, you're a mystery

And I'm caught up in your eyes
I get lost as your colors fly
From the hazy trails that
You leave behind

And I just can't stop
Trying to find out why (why)

When you dance (x3)
And I can't turn away
When you dance (x3)
And I can't turn away

When you're moving your heart
Shaking my heart
It's turning me up
I'm falling in love

When you dance (x3)
And I can't turn away

It's true love at the
Speed of sound
So I can't keep track
When you're spinning around

Is it all a dream?
Or is it happening now?
And I'm up and I'm coming down
Could I be this high if I'm on the ground?

Can you tell me why
Why I can't turn around? (No)

When you dance (x3)
And I can't turn away
When you dance (x3)

And I can't turn away

When you're moving your heart
Shaking my heart
It's turning me up
I'm falling in love

When you dance (x3)
And I can't turn away

So let me see you shake, shake, shake
Shake, shake, sh-shake me
Make, make, make
Make me believe it, baby

Shake, shake, shake
Shake, shake, sh-shake me
Make, make, make
Make me believe it, baby

(When you dance)

Shake, shake, shake
Shake, shake, sh-shake me (baby)
Make, make, make
Make me believe it, baby (yeah)

Shake, shake, shake
Shake, shake, sh-shake, yeah

So tell me why

When you dance (x3)
And I can't turn away
When you dance (x3)
And I can't turn away

When you're moving your heart
Shaking my heart
It's turning me up
I'm falling in love

When you dance (x3)
And I can't turn away
When you dance (x3)
And I can't turn away

When you dance (x3)
And I can't turn away

When you're moving your heart

Shaking my heart
It's turning me up
I'm falling in love

When you dance (x3)
And I can't turn away, yeah
