Present Orchestrated Content  
Yields Subliminal Effects  
Leading the Herd in the Direction  
Down the path of great decline

We can all  
Take it back  
Inform our own  
Tear them down  
We can all  
Take their Throne

Here lies the population that  
Believes what they've been sold  
Lies forged by Corporations that  
Design what we are told

We can all  
Take it back  
Inform our own  
Tear them down  
We can all  
Take their Throne

[Solo: Burgess]  
[Solo: Glisan]

Pulling the strings of humanity for a gain  
Global Dissection Disclosure Infection  
Molding the messages provided  
So the Affluent Reigns  
Elite made Decisions Governing  
Transformations

[Solo: Burgess & Glisan]

Past repeats with Revolutions by the ones  
That cast the first stone  
Fear Deceit Manipulation The Upper Hand  
Adjudicates the Known

We can all

Take it back  
Inform our own  
Tear them down  
We can all  
Take their Throne
