So much for, your fake innocence
Was this all for me

All alone, on my own
Caught up in your lies
What if they knew it was you
Caught up in disguise
After all I've done for you
Wait and see how it's gunna be
Caught up in your lies

So cynical, so many faces
Inside I wonder, just how you made it

All alone, on my own
Caught up in your lies
What if they knew it was you
Caught up in disguise
After all I've done for you
Wait and see how it's gunna be
Caught up in your lies

Because of you
Because of you that I'm here
In this place alone with no one to be
Completely because of you

Your lies [x3]

Caught up in your lies
What if they knew it was you
Caught up in disguise
After all I've done for you
Wait and see how it's gunna be
Caught up in your lies

In your lies
I'm caught up
I'm caught up
I'm caught up in the lies

Will we ever find the truth?
