I was thinking one day to run away from home  
Didn't realize how much mummy would cry  
Leaving behind my dreams never to return  
Down through the gate I saw mummy crying  
'Cause she wanted me to stay.

I have wasted my life in search of love so true  
I've been living those years in awesome pain  
So I made up my mind one day at a time  
And ran to the cross, that old rugged cross  
On that lonely Calvary.

Chorus:

All I want is You my Lord  
All I want oh yes all I want  
Is You my Lord.
