Skip off me while you dig up here
Everybody knows you're gonna be hip
Pinini reggae is gonna make you flip
Pinini reggae is gonna make you scare
Pinini reggae is gonna pitch you up
Pinini reggae is gonna keep you down
Pinini reggae is gonna spin you around
Pinini reggae is gonna bring you down

Don't laugh, don't cry
Pinini reggae is gonna kill you by and by

Don't laugh, don't cry
Pinini reggae is gonna get you by and by

Everybody knows you're gonna go down
Everybody knows you're gonna go up
Pinini reggae is gonna make you throw
Pinini reggae is gonna make you freak up
Everybody all up the way
Everybody all the way down
Pinini reggae is gonna take you here
Pinini reggae is gonna bring you down

Don't laugh, don't cry
Pinini reggae is gonna get you by and by,
that's right!

Pinini reggae... Don't cry!
C'mon, c'mon
Pinini reggae is gonna get your soul soft

Everybody knows
Pinini reggae is gonna make it snow
Pinini reggae is gonna make it rain
Pinini reggae is gonna make you to come
Again and again and again and again
again and again and again and again
Pinini reggae is gonna bring you up
Pinini reggae is gonna shoot you down

Don't laugh, don't cry
Pinini reggae is gonna get you by and by

Pinini reggae...

Don't laugh, don't cry
Pinini reggae is gonna catch you by and by

Pinini reggae...
