[CHORUS]
Puddin' n' tain
Puddin' n' tain
Ask me again
I'll tell you the same

[Repeat CHORUS 2x]

You won't believe this story
Once, when I was walking
One bright and sunny day
I met a little sweet, sweet girl
Who chance to walk my way

I asked her, her name
Here's what she said to me

[Repeat CHORUS]

Oh, golly gee
If she could only
Belong to me
And I would show the world
The whole wide world
That I'm in love with

[Repeat CHORUS]

She's so pretty
She's so fine
She's so sweet
Just my kind

All because she's pretty
All because she's fine
I want this girl to be mine

Now we're going steady
And I found out
Her real name was Betty

I, I'll tell the world

The whole wide world
World, world
That I'm in love with

[Repeat CHORUS]

Now we're going steady
And I found out
Her real name was Betty

And I'll tell the world
The whole wide world
That I'm in love with

[Repeat CHORUS 4x to fade]
