Free yourself from desire.

The energy's frenetic coz the soul is so restless,
Insatiable desire the wanting is headless,
My fortitude is endless, got the power of the beast,
My urge is relentless and it never seems to cease,
The psyche is fearless, the attitude is reckless,
Gonna smash up the machine and let the ghosts roam
free,
It's the dissident rage, it's the rebellious up rise,
It's the delinquent devil staring through my eyes.

Break out your soul from the machine,
Break out your soul from the regime,
Break out your soul from the machine,
Break out your soul and free you dreams.

Free yourself from desire.

I could run for days on the rage that pumps through my
veins,
The tenacious belief that gets stronger with age,
The force of wrath conquers any signs of weakness,
Bringing fear to it's knees with a spirit that's
courageous,
Staring trepidation right in the face,
Intrepid and daring, showing acts of faith,
Resisting all the pressure with a rampant will,
Opposing all the codes of insidious control.

Break out your soul from the machine,
Break out your soul from the regime,
Break out your soul from the machine,
Break out your soul and free you dreams.

Free yourself from desire.

They're trying to undermine all these conscious minds,
But you can't pull the wool over wisdom's eyes,
We ain't all that primitive, deaf, dumb and blind,
Coz some can see the tactics of media propaganda,
Hey fucker, is this one of your little schemes,

Trying to sell us life through a flashing screen,
Coz it ain't gonna work with all of us, coz some of us
have vision,
Some can see the walls of your subconscious prison.

Break out your soul from the machine,
Break out your soul from the regime,
Break out your soul from the machine,
Break out your soul and free you dreams.

Break out,
Break out your soul.
