I feel the sparks inside my veins, I feel the furnace start  
to rage,  
Coz deep down in my rusty cage, I feel the licks of the  
flames,  
It's the coming of a fearless age, you feel something  
inside you change,  
Coz now it's hard to be afraid coz I got power from the  
rage.

Getting stronger,  
You know my heart is fearless,  
Getting stronger,  
You know my rage is ceaseless,  
Getting stronger,  
You know I show no weakness.

Spent years inside incarcerated but now I'm charged  
and vexed,  
I broke the shackles and I broke the chains and now I'm  
fucking deranged,  
I've gone insane and I've lost my mind but now I'm  
living life  
Trepidation can't break this man, coz I'm far to gone to  
give a damn.  
I don't give a...  
Damn.

Getting stronger,  
You know my heart is fearless,  
Getting stronger,  
You know my rage is ceaseless,  
Getting stronger,  
You know I show no weakness.

I don't give a...  
I don't give a damn about your fear, your fear wants  
control,  
I don't give a damn about your fear, your fear wants  
my soul,  
I don't give a damn about your bombs,  
I don't give a damn about your guns,  
I don't give a damn about your blades,

I don't give a damn about your hate.

Getting stronger,  
You know my heart is fearless,  
Getting stronger,  
You know my rage is ceaseless,  
Getting stronger,  
You know I show no weakness.
