Doo doo doo

Doo doo doo  
Ooh  
Ooh  
Ooh  
Ooh

Doo doo  
Ooh  
Ooh

When your world trembles and quakes  
And your footing suddenly shifts and shakes

Take my hand  
We'll hide in the corner  
Hide in the corner  
Take my hand  
We'll hide 'til it's over  
'Til it's all over

La la la la la  
La la la la la  
La la la la la  
La la la la la la la

We have choices to make  
We have promises that we can't break  
There is nothing left to lose  
So hold on to me  
I'll hold on to you

Take my hand  
We'll hide in the corner  
Hide in the corner  
Take my hand

We'll hide 'til it's over  
'Til it's all over

Ooh  
Ooh  
Ooh  
Ooh

We'll hide 'til it's over  
'Til it's all over

Take my hand  
We'll hide in the corner  
Hide in the corner  
Take my hand  
We'll hide 'til it's over
