You travel through my blood
Coursing through my veins
And today
The memory
Like a shadow
I can't shake

La premiere rencontre est arriv  e
Pense    moi
Le silence de la mer

I confess you've got a hold on me
But I never fall this easily

Your history seems to
Shroud you like a plague
And you wonder why
This thought keeps you awake
I never asked you
To step inside my skin
I let you stay here
Haunting me within

La premiere rencontre est arriv  e
Quelque fois tu me causes
Pense    moi
Toujours
Pense    moi
Le silence de la mer

I confess you've got a hold on me
But I never fall this easily

I confess you've got a hold on me
But I never fall this easily
