Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

Maybe you'll die
In her arms

Maybe you'll die
In her arms

Maybe you'll die
In her arms

Maybe you'll die
In her arms
In her arms
In her arms
In her arms
In her arms

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun

There's an answer
'Till the daylight comes

Try to catch her
Falling from the sun
