A is for all I want  
B is for badly  
C is for can't you stay long  
'Cuz I want you so madly  
E is for no escape  
'Cuz I don't wanna leave you  
F is for fallin' to  
Fast with no parachute, oh

And who's gonna save me now  
Now Oh

You're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
Your love is a weapon  
And it's turning me to dust  
D is for dangerous  
D is for dangerous

G for get outta here  
It's really too much  
H is for how do I leave  
When I'm addicted, to you're  
I is for insane  
It smells like danger  
J is for jump off the ship  
Or the strong will take you

And who's gonna save me now  
Don't

You're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
Your love is a weapon

And it's turning me to dust  
D is for dangerous  
D is for dangerous  
D is for dangerous  
D is for dangerous

K is for killing me  
L is for I can leave  
Oh, 'cuz I'll never make it  
If I'm not living on the edge  
M is for the rest  
Let's just forget this  
'Cuz I'll never walk out of this

You're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
Your love is a weapon  
And it's turning me to dust  
D is for dangerous  
D is for dangerous  
D is for dangerous  
D is for dangerous
