Dust it off, break it down  
Get to what we're talkin about  
Do what we're talkin about  
Don't try to hide it now  
Why keep on working it out?  
You keep on working it out

'Cause I see how it's putting you down  
I just can't be around  
What you doing this for?  
'Cause the light in you started to fade  
Don't let it get away  
Girl you're worth so much more

Don't waste the pretty on him  
Don't waste the pretty on pain  
When it gets too much to take  
Don't give it away  
Don't waste the pretty on life  
Soon it's gonna fly on by  
Whatever way you got to see  
Don't waste the pretty

Sit back and breath it in  
Look at how lucky we are  
Look at how lucky we are  
This life we're livin in  
You got to follow your heart  
You know I'm never too far

Away from the pain in your eyes  
I can see your disguise  
But it's not too late  
'Cause I know you can turn it around  
Don't let it get you down  
Don't be scared, work it out  
And listen when I say

Don't waste the pretty on him  
Don't waste the pretty on pain  
When it gets too much to take

Don't give it away  
Don't waste the pretty on life  
Soon it's gonna fly on by  
Whatever way you got to see  
Don't waste the pretty

And just incase you need reminding  
Well you're beautiful, beautiful, beautiful  
And every noticed sin, you hide it  
'Cause you're beautiful, beautiful, beautiful

Don't waste the pretty on him  
Don't waste the pretty on pain  
When it gets too much to take  
Don't give it away  
Don't waste the pretty on life  
Soon it's gonna fly on by  
Whatever way you got to see  
Don't waste the pretty

Don't waste the pretty  
Don't waste the pretty  
Don't, don't waste the pretty  
Don't waste the pretty  
Don't waste the pretty  
Don't, don't waste the pretty  
Don't waste the pretty  
Don't waste the pretty  
(Yeah you're beautiful, beautiful, beautiful, beautiful)  
Don't waste the pretty  
Don't waste the pretty  
Don't, don't waste the pretty  
Don't waste the pretty  
Don't waste the pretty  
Don't, don't waste the pretty  
Don't waste the pretty  
Don't waste the pretty
