Oh yeah

Monday, Tuesday we were cool  
Wednesday I found out 'bout you  
Caught my heart by tellin' lies  
You weren't what you advertised

But silly me to believe  
Oh, I was unique  
When I'm there you put on a show  
Oh, you gotta go

'Cause what's true about you?  
Who are you when I'm gone?  
Wanted to be with you  
Don't know what I was on

'Cause you got me to forget me  
Oh, you know that's true  
Yeah, you got me to forget me  
So Friday I'll be over you

Oh yeah

No, no, I ain't gonna cry  
Go and be with her tonight  
I really don't care what you do  
'Cause Friday I'll be over you

And silly me to believe  
Oh, I was unique  
When I'm there you put on a show  
Oh, you gotta go

'Cause what's true about you?  
Who are you when I'm gone?  
Wanted to be with you  
Don't know what I was on

'Cause you got me to forget me  
Oh, you know that's true  
Yeah, you got me to forget me

So Friday I'll be over you

Oh yeah, oh yeah

Silly me to believe  
When I'm there you put on a show  
Oh, you know that's true  
Oh, oh

'Cause you got me to forget me, whoa  
Yeah, you got me to forget me  
So Friday I'll be over you

'Cause what's true about you  
Who are you when I'm gone?  
Wanted to be with you  
Don't know what I was on

'Cause you got me to forget me  
Oh, you know that's true  
Yeah, you got me to forget me  
So Friday I'll be over you
