Here I am in a brand new shade of blue

Stumble as I go, in some messed up freebie shoes
I'd walk for miles and miles
To get through all the pain

But I'm OK, I'm OK, here i go, o, o, o, o, oo!

Oh life has changed like a Holiday
Feels so damn good like Hollywood
I'm gonna, I'm gonna
shove this life in your face, gonna give you a taste
(WOO)

Let's get it on, got the wheels, hit the ground
These rocky roads, ain't gonna slow our joy ride down
I ran for miles and miles, naked in the rain
But I'm OK, I'm OK, here i go, o, o, o, o, oo!

Oh life has changed like a Holiday
Feels so damn good like Hollywood
I'm gonna, I'm gonna
shove this life in your face gonna give you a taste
(WOO)

Hey yeah, hey yeah, I'm gonna turn your world around

Hey yeah, hey yeah, I'm gonna turn you upside down

Hey yeah, hey yeah, I'm gonna turn your world around
Hey yeah, hey yeah, I'm gonna turn you upside down

Oh life has changed like a Holiday
feels so damn good like Hollywood
I'm gonna, I'm gonna
shove this life in your face gonna give you a taste

Oh life has changed like a Holiday
Feels so damn good, like I knew it would
I'm gonna, I'm gonna
shove this life in your face gonna give you a taste

Hey yeah, hey yeah, I'm gonna, I'm gonna, I'm gonna
give you a taste
Hey yeah, hey yeah, I'm gonna, I'm gonna, I'm gonna
give you a taste
Hey yeah, hey yeah, I'm gonna, I'm gonna, I'm gonna
give you a taaaaaste
