Hey!

Waking up to the sound of text messages
And typing in my ear
i just can't wait to check your email
i bet, your baby will connect with me instead

Technology sucks
I wish I could change all your numbers
Put your phone underwater
And if your gadgets spoke back, I would have to ask
Why you won't let up
You're such a homewrecker

Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot

Table for three, we got a curfew
Me and you and your artificial intel
You can't keep your hands off her
She's beep-beep-beeping over every other word

Technology sucks
I wish I could change all your numbers
Put your phone underwater
And if your gadgets spoke back, I would have to ask
Why you won't let up

You're such a homewrecker

Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot

(x2)

I cannot save you now
Love's not mechanical
Sometimes I want to be

Stomping on your phone
Busting up your laptop
No more, no more, no more robot
Stomping on your phone
Busting up your laptop
No more, no more, no more robot

Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
My boyfriend's in love with a robot

Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
Give me my, give me my baby back
Oooh, na na (Hey!)
