Baby I don't know know why
you don't ever listen to me
And know your just leaving me in your misery
Oh yea, but you don't know what the difference is
between long what we became
Well I gon' show ya, show ya
Take it or leave it make it or break it
Boy we only got tonight
Tell me why your leaving
Coz you got no reason
Boy your just a waste of time
You trusted us both yea
You trust everything I have
I'm sorry, i must say
and you ain't ever gettin' me back
Each night that we had, thought it would be nice
and you come screaming in
with some ridiculous fight
So baby this is the last time
I don' got more taste of you
We just cant make it right
Take it or leave it make it or break it
Boy we only got tonight (boy we only got tonight)
Tell me why your leaving
coz you got no reason
boy your just a waste of time (just a waste of time)
You trusted us both yea
you trust everything i have i am sorry i must say

and you ain't ever gettin' me back
You took me in, i believe that you
the things you said weren't even true
I said I'd even trust for the love of love
I guess i'll never know the truth
all i want is for us to pull through,
if you didn't hear me i'll say it again
take it or leave make it or break it
boy we only got tonight (boy we only got tonight)
tell me why your leaving
coz you got no reason
boy your just a waste of time (boy your just a waste of
time)

you trusted us both yea
you trust everything i have
i am sorry, i must say
but you ain't ever gettin' me back
oooooooo yea ooooooooo yea
take it or leave it
oo sorry you lost me
yeah yeah goodbye
take it or leave it oh oh oh
take it or leave it
make it or break it
take it or leave IT
