I can almost see it.  
That dream I'm dreaming, but  
There's a voice inside of my head, tellin'  
You'll never reach it  
Every step I'm takin'  
Every move I make  
Feels lost in no direction,  
My faith is shakin'  
But I gotta keep tryin'  
Gotta keep my head held high

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waitin' on the other side  
It's the climb

The struggles I'm facing  
The changes I'm taking  
Sometimes they knock me down, but  
No I'm not breaking  
I may not know where, but  
These are the moments that  
I'm gonna remember most  
I've just gotta keep goin', and  
I gotta be strong  
Just keep pushing on, but

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waitin' on the other side  
It's the climb

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose

Ain't about how fast I get there  
Ain't about what's waitin' on the other side  
It's the climb  
Keep on  
Keep on movin'  
Keep climbin'  
Keep climbin'  
Keep faith  
Keep faith yeah  
It's all about, it's all about  
The climb  
Keep the faith, keep your faith, woah
