I'm waiting here but I'm out of breath
Another reason to just forget
I'll be alright
I couldn't find a better time or place
To see the words written on your face
I'll be alright

And the leaves are on the ground and I keep falling
down
It's getting colder, I'm getting older
And autumn isn't what it used to be

Stretching my arms across the sky I'll be alright
I wanted someone to make me see, there's more to life
that the one I lead
I'll be alright
And the leaves are on the ground, and I keep falling
down
It's getting colder, I'm getting older
And autumn isn't what it used to be

And I'm still changing, I hope your hanging on every
single word that I sing
And if you're broken from the words I've spoken
This is what the colder season will bring

And the leaves are on the ground, and I keep falling
down
It's getting colder, I'm getting older
And autumn isn't what it used to be
