Don't you know this cannot turn around in a day?
And no one is changing and I, I can't believe things that
they say.

Can we turn around here and just play pretend, 'cause
no one was listening, and I don't want this to come to
an end.

'Cause everyone is hiding who they are.

So don't wait up for me, 'cause you'll just be losing
sleep tonight.

Don't you know that it's all a matter of time?
And no one is moving and I, I feel like I'm falling
behind.

'Cause everyone keeps hiding who they are.

So don't wait up for me 'cause you'll just be losing
sleep tonight.

If this means anything then why make believe
everything will be alright?

(Whoa-oh-oh)

Come on.

So don't wait up for me, 'cause you'll just be losing
sleep tonight.

So don't wait up for me, 'cause you'll just be losing
sleep tonight.

If this means anything then why make believe
everything will be alright?

So don't wait up for me, 'cause you'll just be losing
sleep tonight.
