[Allure]

All alone on a Sunday morning  
Outside I see the rain is falling, whoa  
Inside I'm slowly dying  
But the rain will hide my crying, crying, crying  
And you...  
Don't you know my tears will burn the pillow  
Set this place on fire  
'Cause I'm tired of your lies  
All I needed was a simple "Hello"  
But the traffic was so noisy that you could not hear me  
cry  
(I)I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
(And you) You leave me so confused  
Now I'm all cried out, over you

[112]

Ooohh  
Cryin' over you, yeah

Never wanted to see things your way  
Had to go astray  
Oh why was I such a fool (Why was I such a fool?)  
Now I see that the grass is greener  
Is it too late for me to find my way home  
How could I be so wrong?

[Allure](( Happens during last 2 verses of 112's part))

Leaving me all alone  
Don't you know my tears will cause an inferno  
Romance often fades  
Why should I take the blame?  
You were the one who left me neglected (So sorry  
baby)  
Apology not accepted  
Add me to the broken hearts you've collected  
I gave you all of me (Gave you all of me)  
How was I to know  
You would weaken so easily

I don't know what to do (I don't know what to do)  
Now I'm all cried out (All cried out)  
Over you

I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
And you

[112]  
You left me so confused

[Allure & 112]  
Now I'm all cried out( all cried out)  
Now I'm all cried out( all cried out)  
Over you

[112]  
So sorry baby, please forgive me  
Please forgive me
