Beware of the full moon, stick to the path, out come the creatures, a spine chilling laugh...

ahahahaha

there's a chill in the air, (chill in the air)
you hear a creak on the stair, (creak on the stairs)
you gotta lock all your doors, (lock all your doors)
is there anybody out

they're out to get you to capture you and make you
spell bound,
howling and prowling you're shivering, quivering, spell
bound

you cannot run, and you cannot hide, yeah you gotta
face it baby,
things go bump in the night,
wherever you run, and wherever you hide, yeah you
gotta face it baby,
things go bump, bump, bump in the night,

Tell me who's spookin who?, (who's spookin who),
its very scooby doo, (scooby doo)
You hear a shriek in the house (shriek in the house),
you know its freakin me out.

There out to get you to capture you and make you spell
bound,
howling and prowling you're shivering, quivering, spell
bound.

you cannot run, and you cannot hide, yeah you gotta
face it baby,
things go bump in the night,
wherever you run, and wherever you hide, yeah you
gotta face it baby,
things go bump, bump bump in the night,

you're spookin'
you're spookin'

you're spookin'

ahahahaha

things they go bump, they go bump, they go bump they
go

you cannot run, and you cannot hide yeah you gotta
face it baby things
go bump bump bump in the night.

you cannot run, and you cannot hide, yeah you gotta
face it baby,
things go bump in the night,
where ever you run, and wherever you hide, yeah you
gotta face it baby,
things go bump bump bump in the night,

yeah you gotta face it baby things go bump bump
bump in the night.
