Sometimes we're caught by the hysteria  
People scream and shout  
A generation's on the move  
When disco stares like a bacteria  
Those lonely days are out  
Welcome the passion of the groove

The golden years, the silver tears  
You wore a tie like Richard Gere  
I wanna get down, you spin me around  
I stand on the borderline  
Crying at the discotheque  
Crying at the discotheque

I saw you crying  
I saw you crying at the discotheque  
I saw you crying  
I saw you crying at the discotheque

Tonight's the night like danceteria  
The joining of the tribe  
The speakers blasting clear and loud  
The way you dance is our criteria  
The DJ takes you high  
Let tears of joy baptize the crowd

The golden years, the silver tears  
You wore a tie like Richard Gere  
I wanna get down, you spin me around  
I stand on the borderline  
Crying at the discotheque

I saw you crying at the discotheque  
I saw you crying

The passion of the groove  
Generation on the move  
Joining of the disco tribe  
Let the music take you high

The golden years, the silver tears  
You wore a tie like Richard Gere  
I wanna get down, you spin me around  
I stand on the borderline
