Get it right, worth a fight
'Cause love is somethin' you can't shake
When it breaks all it takes is some tryin'

If you feel like leavin'
I'm not gonna make you to stay
But soon you'll be findin'
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

So, if you go you should know
It's hard to just forget the past so fast
It was good, it was bad but it was real
And that's all you have in the end all that matters

If you feel like leavin'
I'm not gonna make you to stay
But soon you'll be findin'
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

Here's how it goes
All it takes is some tryin'
If you feel like leavin'
I'm not gonna make you to stay
But soon you'll be findin'
You can run, you can hide
But you can't escape my love

If you feel like leavin'
Then I'm not gonna make you to stay
But soon you'll be findin'
You can run, you can hide

But you can't escape my love

You can run, you can run
You can run, you can run

You can run, you can run
(Baby, you can run, baby, you can hide)
(But you can't escape my love)
You can run, you can run
(Baby, you can run, baby you can hide)
(But you can't escape my love)
