(If only I can get thru this)  
I just gotta get thru this  
I just gotta get thru this

I gotta get thru this, I gotta get thru this  
I gotta make it, gotta make it, gotta make it thru  
Said, I'm gonna get thru this, I'm gonna get thru this  
I gotta take, gotta take my mind off you

Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart  
Give me 'til tomorrow then I'll be okay  
Just another day and then I'll hold you tight

Well, your love is pouring like the rain  
I close my eyes and it's gone again  
When will I get the chance to say I love you?  
I pretend that you're already mine  
And my heart ain't breaking every time I look into your eyes

If only I could get thru this  
If only I could get thru this  
If only I could get thru this  
God, God, You help me get thru this

I gotta get thru this, I gotta get thru this  
I gotta make it, gotta make it, gotta make it thru  
Said, I'm gonna get thru this, I'm gonna get thru this  
I gotta take, gotta take my mind off you

Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart  
Give me 'til tomorrow then I'll be okay  
Just another day and then I'll hold you tight

Well, your love is pouring like the rain  
I close my eyes and it gone again  
When will I get the chance to say I love you?  
I pretend that you're already mine  
And my heart ain't breaking every time I look into your

eyes

If only I could get thru this  
If only I could get thru this  
If only I could get thru this  
(I just gotta get thru this)  
God, God, You gonna help me get thru this  
(I just gotta get thru)

If only I could get thru this  
God, God, you gonna help me get thru this  
(I just gotta get thru this)

If only I could get thru this  
(I just gotta get thru this)  
God, God, you gonna help me get thru this  
(I just gotta, I just gotta)  
If only I could get thru this
