I still believe in your eyes
I just don't care what
You've done in your life

Baby, I'll always be here by your side
Don't leave me waiting too long
Please come by

I, I, I, I still believe in your eyes
There is no choice, I belong to your life
Because I will live to love you someday
You'll be my baby and we'll fly away

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are
You are, are, are, are, are, are

Every day and every night
I always dream that you are by my side

Oh, baby, every day and every night
Well, I said everything's gonna be alright

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are

Dream of me

I still believe in your eyes
I just don't care what
You've done in your life

Baby, I'll always be here by your side

Don't leave me waiting too long
Please come by

I, I, I, I still believe in your eyes
There is no choice, I belong to your life

Because I will live to love you some day
You'll be my baby and we'll fly away

And I'll fly with you
I'll fly with you
I'll fly with you

Every day and every night
I always dream that you are by my side

Oh, baby, every day and every night
Well I said everything's gonna be alright

And I'll fly with you
I'll fly with you
I'll fly with you

You are, are, are, are, are, are
You are, are, are, are, are, are
