I still believe in your eyes  
I just don't care what  
You've done in your life

Baby, I'll always be here by your side  
Don't leave me waiting too long  
Please come by

I, I, I, I still believe in your eyes  
There is no choice, I belong to your life  
Because I will live to love you someday  
You'll be my baby and we'll fly away

And I'll fly with you  
I'll fly with you  
I'll fly with you

You are, are, are, are, are, are  
You are, are, are, are, are, are  
You are, are, are, are, are, are

Every day and every night  
I always dream that you are by my side

Oh, baby, every day and every night  
Well, I said everything's gonna be alright

And I'll fly with you  
I'll fly with you  
I'll fly with you

You are, are, are, are, are, are  
You are, are, are, are, are, are

Dream of me

I still believe in your eyes  
I just don't care what  
You've done in your life

Baby, I'll always be here by your side  
Don't leave me waiting too long

Please come by

I, I, I, I still believe in your eyes  
There is no choice, I belong to your life

Because I will live to love you some day  
You'll be my baby and we'll fly away

And I'll fly with you  
I'll fly with you  
I'll fly with you

Every day and every night  
I always dream that you are by my side

Oh, baby, every day and every night  
Well I said everything's gonna be alright

And I'll fly with you  
I'll fly with you  
I'll fly with you

You are, are, are, are, are, are  
You are, are, are, are, are, are
