Visit "[I'll Give You Anything](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'll give you anything  
Anything you love in me  
And I'll make sure that it's enough for you baby  
I'll show you how I feel  
To let you know my love is real  
And I'll make sure that it's enough for you baby

I'll really want to take the time  
To get to know you better  
All these other guys don't mean a thing to me  
I wanna talk to you  
To know what you wanna do  
You're always on my mind

I'll give you anything  
Anything you love in me  
And I'll make sure that it's enough for you baby  
I'll show you how I feel  
To let you know my love is real  
And I'll make sure that it's enough for you baby

Do you know  
Do you know you have a friend in me  
You have a friend in need  
You can come and lean on my shoulder  
Whenever times get rough for you  
I'll pull you through whenever you need me to

You got me thinking 'bout ya  
Every time I see ya  
Every time I see ya  
I never want to get ya off my mind  
Never want to get you off my mind  
You know that you got me thinking 'bout ya  
Really wanna meet, ya  
Your smile lights up the sky

I'll give you anything  
Anything you love in me  
And I'll make sure that it's enough for you baby  
I'll show you how I feel

To let you know my love is real  
And I'll make sure that it's enough for you baby
