"Lost Without You"

(I'm) Lost without you
(Alone) In my heart
(Yeah) Just a dreamer
Me myself and I
(You) You got me searchin'
(Feel) In my soul
(Sad) Yes it's over
True bout you and I
And now it's clear to me
Never meant to set you free
Your memory
Is such a sweet thing baby
I'm missin' the walks
The walks in the park
I'm missin' the kisses after dark
Arms that kept me warm from the cold
I'm missin' the hand I used to hold
I'm missin' his smile
And all of the joy
And heaven knows now I miss the boy
Come back to me, please
Won't you please come back to me
Yeah I wish that you could know
I'm really really lost without you

(Now) Is the moment
(I) Realise
(Search) The world over
None like you and I
(Time) Close to midnight
(Two) Lovers meet
(See) You tomorrow
Babe just you and I
And now it's clear to me
I can't rewrite history
Rememberin'
Is such a sweet thing, baby
I'm missin' the walks
The walks in the park
I'm missin' the kisses after dark
Arms that kept me warm from the cold
I'm missin' the hand I used to hold

I'm missin' his smile
And all of the joy
And heaven knows now I miss the boy
Come back to me, please
Won't you please come back to me
Yeah I wish that you could know
I'm really really lost without you
