Round, round, baby, round, round, spend the night on
me

I don't need no man, got my kicks for free
Realize the vibe's gonna be down low
I don't need nobody, got my honeys when I go

Round, round, baby, round, round, spend the night on
me

I don't need no man, got my kicks for free

When you stare in my face
You're messing with my brain
If you're trying to convince me
Then you better think again

If you move to the music
The music's got to give
If it's too complicated
That's the way I want to live

If you hate me, I will show you
How to brain me into something new
If you want me run away now
If you stop me then I'll hit the ground
(Can we go, here we go)

Round, round, baby, round, round, spend the night on
me

I don't need no man, got my kicks for free
Realize the vibe's gonna be down low
I don't need nobody, got my honeys when I go

Explanations, no you don't need one
Having a good time, getting down to the fun
And it's your time, just tonight he'll be mine
And he's gone, yeah

People moving, bodies grooving
Never ending, [Incomprehensible]
Don't you worry 'bout a thing
All you need is off your sting

All my girls are here with me
Worry now, they've got their need
Do you feel me, do you feel me?
Do you feel me, do you feel me?

Round, round, baby, round, round, spend the night on
me
I don't need no man, got my kicks for free
Realize the vibeÃ¢â€Œ™ s gonna be down low
I don't need nobody, got my honeys when I go

Round, baby, round, round, spend the night on me
I don't need no man, got my kicks for free
Realize the vibeÃ¢â€Œ™ s gonna be down low
I don't need nobody, got my honeys when I go

Round, round, baby, round, round, spend the night on
me
I don't need no man, got my kicks for free
Realize the vibeÃ¢â€Œ™ s gonna be down low
I don't need nobody, got my honeys when I go

Round, baby, round, round, spend the night on me
I don't need no man, got my kicks for free
Realize the vibeÃ¢â€Œ™ s gonna be down low
I don't need nobody, got my honeys when I go

Round, baby, when I go
When I go, when I go
When I go, when I go
