You're The Only One For Me

Allure

Ost. Runaway Bride

Yeah ummm... yeay. I've gotten close so many times  
Tryin to fit in I don't know why  
I had to leave behind a dream that could be mine  
I thought that I would never find  
Someone who's heart could read my mine  
Now I don't have to hide cuz you are in my life

Chorus:

I promise you that love won't be easy  
I promise you there'll be times apart (apart)  
But I swear that it comes from my heart  
When I promise you're the only one for me  
(for me.. yeah)

Sometimes I know it hard for you  
Wondering if we'll make it through  
But if you give me time  
I'll show you that you're mine, I promise you

Repeat Chorus

You showed me who I am, I know you understand  
You taught me how to just not be afraid of love  
I'm not afraid to look in your eyes  
I surrender to love I open to nothing you anything  
inside

Repeat chorus x2
