MUSIC: USCB Allstars.

LYRICS: OLS, Adonis.

I was a fool I wasn't thinking too clear  
And all my friends said to leave it alone  
It was the last thing I wanted to hear  
Yeah my business were none but my own  
And I remember how you used to preach  
'Bout wicked women they all dress in black  
Stop what you're doing, what you're doing ain't right  
Or you might end up with an eye for an eye

I really, really, really love you now  
Sorry baby for not doing you right  
I hope that you'll be thinking of me now  
Gone tomorrow, remember tonight

Stop what you're doing, what you're doing ain't right  
Stop what you're doing, what you're doing ain't right  
Or you might end up with an eye for an eye

Don't ever stare directly into the sun  
The flesh is weak you should beware of the sting  
And don't come crying when it's over and done  
"I told you so" has never felt like my thing  
And now you're back here asking what you should do  
You're so pathetic - I watch it repeat  
Stop what you're doing, what you're doing ain't right  
Or you might end up with an eye for an eye.
