Lost that special feeling
Somewhere along the way
I need some sexual healing
To make it through the day

I wanna feel OK
Please take my blues away
YouÂ're gonna have to pay
You know
If you wanna love again

This feeling
Was always on my mind
Now youÂ're telling me youÂ're leaving
YouÂ're leaving me behind

I wanna feel OK
Please can you take it away
YouÂ're gonna have to pay
You know

Left my chest wide open
you tore away my heart

I should have seen it coming
right from the very start

I wanna be OK
Please can you take it away
YouÂ're gonna have to pay
You know
If you wanna love again

Start over
I blindfolded my eyes
Who needs to even know her
When feelings always die

Then one sunny day
when youÂ'll come back to stay
IÂ'm gonna be OK
You take my blues away

You're gonna have to pay
You know
If you wanna love again
