I hate the way I feel
When I think about you
I hate the way I get
When I get close to you
I don't understand understand where it went wrong
But I don't wanna know
I have to learn to let
Go

I don't care who you are
I don't care what you do
I'm done with anything related to you
Whatever we were
We're not anymore
I'm slammin' lockin' up this stupid door
I'm done with you good thing
You're done with me
Jeremy

We used to be best friends
Or something like that
But I could never tell
You're like a code I can't crack
I can't stand that
I just can't stand it
Make it clear what you want with me
Now I won't listen
I don't wanna hear it
You're not sorry

I don't care who you are
I don't care what you do
I'm done with anything related to you
Whatever we were
We're not anymore
I'm slammin' lockin' up this stupid door
I'm done with you good thing
You're done with me
Jeremy

I waited more than a year to get screwed over
Oh

I hope you know that
I really don't appreciate your shit
You know what
Go get fucked up
See if I care later on
When you come running back to me
Oh you just wait and see

If I care who you are
If I care what you do
Be done with anything related to you
I've made up my mind
And it's not gonna change
Move on again and forget my name
I'm done with you get done
With me
Thanks Jeremy
