JJ and his pretty eyes
He never even had a job
But Taylor kept tryin' for him
He led her on and took her out
He went outside behind her house
Right next to where he lived
JJ and his perfect lips
That Taylor wishes she got kissed
When she had a chance that night
But she didn't so he took it back
What was he thinkin' letting go like that
Did he see how bright she shined

'Cause everything changed in the blink of an eye
It was sweet while it lasted for a little while
He held her close and he took her hand
But things never work out the way we planned
JJ
You let her down

Taylor and her pretty mind
The innocence behind her eyes
I guess I wasn't good enough for him
'Cause he let her slip away so fast
He let her fall into his past
He'll never know what he did
Taylor and her broken heart
That JJ took and tore apart
And he never told her why
Opportunity came to his door
And JJ just shot it down before
He could see how bright she shined

But everything changed in the blink of an eye
It was sweet while it lasted for a little while
He held her close and he took her hand
But things never work out the way we planned
JJ
You let her down

She was the best thing you'll never have
Out there you'll find yourself

Wishin' you could have her back
'Cause one of these days
I'll see you walk by
You'll understand
You'll understand why

Everything changed in the blink of an eye
It was sweet while it lasted for a little while
You held her close and you took her hand
She's slippin' through it's like a grain of sand
You
You let her down
She came out on top

Taylor and her pretty mouth
She doesn't even have to drop
'Cause JJ
She's better than you
