I would give anything
just to have you here with me

i'm alone now
you have gone away

so alone now
why could you not stay

i wish that you were here
to wipe away my tears

chorus:
and i live another day
the seasons fade away
your memory remains
in my heart

longing to feel you near

even though you can't be here

gone forever
leaving me behind

lost forever
part of me has died

i wish that you were here
to wipe away my tears

chorus

(instrumental break)

chorus

as i wait another day
life slowly fades away
my pain forever stays
in my heart
