Know whats on your mind
I know though hard to find
And just rest your self
And give me a chance
To explain

I know the reasons why
I know without no do ubt
The reasons why you tried
To push me down
So i can see

You've gone too far
To give it all away
You've gone too far
To give the game away

I know you tried so hard
I know and could i make it out
And i fell beside you grab so tight
Dwindling revealing to me

You've gone too far
To give it all away
You've gone too far
To give the game away

See what i have seen
You know its driving
Days have to end

Oh why, tell me are you blind
To what is going on around
Because dont you know
What you reap is what you sow

So except (?? Upset?)
So except (?? Upset?)

You've gone too far
To give it all away
You've gone too far

To give the game away
You've been too far
To give it all give it all
Give it all away

You've gone
You've gone
You've gone
Too
Far
