You are loved and you know you are

Yeah

You know

You know

You know you are

And you know

You know

You know you are

You'll endure and you know you will

Yeah

You know

You know

You know you will

And you know

You know

You know you will

But you can't count it on your fingers 'cause there's
more than you think

You can't use your head to figure

'Cause there's much too much for our little minds to
deal with

So let's get it up

You will reap and you know you will

Yeah

You know

You know

You know you will

And you know

You know

You know you will

But please don't every try to count it on your fingers

'Cause there's more than you think
You can't use your head to figure
'Cause there's much too much for our little minds to
deal with
So let's get it up

But you can't count it on your fingers
'Cos there's more than you think
(Just try)
You can't use your head to figure
(Yeah)
(Yeah)
'Cause there's much too much
(Yeah)
For our little minds to deal with
So let's get it up

One
Two
Three

Give it up
Lift your hands
Everybody

Give it up
Lift your hands
Everybody
Everybody

Give it up
Lift your hands
Everybody

Give it up
Lift your hands
Everybody
Everybody

Give it up
Lift your hands
Everybody

Give it up
Lift your hands
Everybody
Everybody

Give it up
Lift your hands
Everybody

Give it up
Lift your hands
Everybody
Everybody

Give it up
Lift your hands
Everybody

Give it up
Lift your hands
Everybody
