Visit "[Find You](#)" on MotoLyrics.com

Iâ€™ve been looking for you nearly everywhere,
I couldnâ€™t find you.

So here I am driving through the rain
and I donâ€™t know where to go.

Iâ€™m sorry, I was so wrong.
I know it since you are gone.
Please forget your pride,
donâ€™t try to hide your love.

IF ONLY I COULD FIND YOU
Iâ€™D GIVE YOU MY LIFE AGAIN.
IF ONLY I COULD FIND YOU,
DONâ€™T LIE TO ME,

I KNOW YOU STILL LOVE ME,
AND I DIE WITHOUT YOU.

Another night will end up the same way.
Where could you be now.
A silly error would become a huge mistake,
if I never see you again.

Iâ€™m sorry, I was so wrong.
I know it since you are gone.
Please forget your pride,
Donâ€™t try to hide your love.

IF ONLY I COULD FIND YOU...
