I want to feel that all is not lost  
I want to feel there's still a chance  
I want to go where nobody knows me  
Taking a breath of northern air  
Summer is here - it won't go away so soon  
Somebody says - we don't need to be afraid  
Summer is here - it won't go away so soon  
Somebody says - we don't need to be afraid

I want to walk when the rain is falling  
I want to feel it falling on me  
I want to go where nobody knows me  
Taking a breath of northern air
